**STATEMENT OF MANAGEMENT'S RESPONSIBILITIES FOR THE PREPARATION
AND APPROVAL OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED
DECEMBER 31, 2022**

The following statement, which should be read in conjunction with the independent auditors' responsibilities with a view to distinguishing the respective responsibilities of management and those of the independent auditors in relation to the financial statements of the JSC "Indorama Kokand Fertilizers and Chemicals" (the "Company").

Management of the Company is responsible for the preparation of the financial statements that present fairly the financial position of the Company as at December 31, 2022, the results of its operations, cash flows and changes in capital for the year ended December 31, 2022 in accordance with the International Financial Reporting Standards (the "IFRS").

In preparing the financial statements, management is responsible for:

- selecting suitable accounting policies and applying them consistently;
- making judgments and estimates that are reasonable and prudent;
- stating whether IFRS have been followed, subject to any material departures disclosed and explained in the financial statements; and
- preparing the financial statements on a going concern basis, unless it is inappropriate to presume that the Company will continue in business for the foreseeable future.

Management of the Company is also responsible for:

- designing, implementing and maintaining an effective and sound system of internal control, throughout the Company;
- maintaining proper accounting records that disclose, with reasonable accuracy at any time, the financial position of the Company, and which enable them to ensure that the financial statements of the Company comply with IFRS;
- maintaining statutory accounting records in compliance with legislation, accounting standards of the Republic of Uzbekistan and IFRS;
- taking such steps as are reasonably available to them to safeguard the assets of the Company; and
- detecting and preventing fraud, errors and other irregularities.

The financial statements for the year ended December 31, 2022 were approved and authorized for issue on March 5, 2023 by the Management of the Company.

On behalf of the Management of the Company:

INDEPENDENT AUDITOR'S REPORT

To the shareholders of JSC «INDORAMA KOKAND FERTILIZERS AND CHEMICALS»

Opinion

We have audited the accompanying financial statements of JSC «INDORAMA KOKAND FERTILIZERS AND CHEMICALS» (the "Company") which comprise the Statement of Financial Position as at 31 December 2022 and the Statement of Profits or Loss and Other Comprehensive Income, the Statement of Changes in Equity and Cash Flow Statement for the period from 1 January 2022 to 31 December 2022 and a summary of significant accounting policies and other explanatory notes.

In our opinion, the accompanying financial statements present truly and fairly, in all material respects, the financial position of the Company as of 31 December 2022 and its financial performance and its cash flows for the period from 1 January 2022 to 31 December 2022 in accordance with International Financial Reporting Standards (IFRS).

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the independence requirements that are relevant to our audit of the financial statements in with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants (IESBA Code), and we have fulfilled our other ethical responsibilities in accordance with the IESBA Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with IFRS, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error. In preparing the financial statements, management is responsible for assessing the Company ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Company financial reporting process.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures

that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company internal control.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
